

PRINCE2® 6 th edition Foundation - accredited training with exam

Purpose of the training

This course is aimed at project managers and aspiring project managers. It is also relevant to other key staff involved in the design, development and delivery of projects, including: company board members, Public Sector managers, sponsors and project and subproject managers.

Benefits of completing the training

This course aims to introduce participants to PRINCE2®, an acknowledged British project management methodology. At course completion, participants will sit the Foundation exam.

Examination method

The participants receive vouchers, which are valid for 6 months, for online exam.

Having completed the training, the participant receives an e-mail with guidelines how to register on the exam. The date is determined directly with PeopleCert, with the use of participant's account.

Online exam is conducted in the presence of proctor – a person from PeopleCert, who connects remotely with training participant's desktop and observes the course of exam via Internet camera.

The person who takes the exam is obliged to show the place where he is going to write the exam to proctor via Internet camera. Proctor checks if there are not any other persons and study aids in the room.
